Graduate Council
November 14, 2016 ~ 2:00-3:00PM
128 Kidder Hall
Agenda

1. Discussion continued from last week on PhD credit reduction proposal (attached again), the Grad Council minutes from 2004 on the topic and the BB grad program directive that were referred to in Council meeting last Monday.

2. Further discussion of a proposal to develop a formal mechanism for assuring that students who are advised by courtesy or emeritus faculty are provided up-to-date and accurate information on OSU and program-level requirements.

3. Wood Science and Engineering program review report and action plan presented by Theresa (if time allows).
