1. College recruitment and admissions. Challenges for reaching target audience, expanding opportunities for URM students, lessons that we can take to the broader community.

   See:
   - Student booklet
   - Small student brochure

2. College Program Review.
Due to the complex nature of the topic, please plan to discuss how best we might review the self-study, recommendations and action plan over the next several meetings.

   See:
   - Self study shared earlier
