

Interdisciplinary Studies

In an increasingly complex world, solutions to issues of emerging societal importance often require crossing traditional boundaries. Recognizing that students will need information from many available sources, Oregon State University offers a variety of undergraduate and graduate opportunities for interdisciplinary exploration and enrichment.

Interdisciplinary programs depend fundamentally upon the existence of strong disciplinary programs and place signifi-

cant responsibility upon students to integrate and synthesize information.

Because there are so many choices of subjects and so many ways to approach a given interest, it is crucial that students obtain guidance in order to understand the advantages and the limitations of particular disciplinary and interdisciplinary alternatives. Students are encouraged to contact the individuals identified at the beginning of each certificate, department, and degree listing for more information and advice.

UNDERGRADUATE PROGRAMS	LOCATION ■■■ CATALOG/ADMINISTRATIVE UNIT
American Studies Major	College of Liberal Arts (OSU Cascades Campus only)
Applied Ethics Certificate	College of Liberal Arts, School of History, Philosophy, and Religion
Bioenergy Minor	College of Agricultural Sciences
Bioresource Research Major	College of Agricultural Sciences
Environmental Sciences Major	College of Earth, Ocean, and Atmospheric Sciences
Forest Engineering - Civil Engineering Major	College of Forestry, Dept. of Forest Engineering, Resources and Management
Gerontology Certificate	College of Public Health and Human Sciences, School of Social and Behavioral Health Sciences
International Studies Major	All colleges With undergraduate programs offer this major administered through International Programs.
Latin American Affairs Certificate	College of Liberal Arts, School of Language, Culture, and Society
Liberal Studies Major	College of Liberal Arts, Dept. of Liberal Studies
Multimedia Minors	College of Liberal Arts, School of Arts and Communication
Medical Humanities Certificate	College of Liberal Arts, School of History, Philosophy, and Religion
Natural Resource and Environmental Law and Policy Minor	College of Agricultural Sciences, Dept. of Agricultural and Resource Economics
Natural Resources Major and Minor	College of Forestry, Dept. of Forest Ecosystems and Society
Peace Studies Certificate	College of Liberal Arts, School of History, Philosophy, and Religion
Religion and Culture Certificate	College of Liberal Arts, School of History, Philosophy, and Religion
Russian Studies Certificate [Suspended]	College of Liberal Arts, School of Language, Culture, and Society
Sustainability Major	All colleges With undergraduate programs offer this major administered through College of Forestry, Dept. of Forest Ecosystems and Society.
Twentieth Century Studies Certificate [Suspended]	College of Liberal Arts
Women, Gender, and Sexuality Studies Minor and Certificate	College of Liberal Arts, School of Language, Culture, and Society

GRADUATE PROGRAMS	LOCATION IN CATALOG/ADMINISTRATIVE UNIT
Comparative Health Sciences (MS, PhD)	Graduate School
Environmental Sciences (MA, MS, PhD, PSM)	Graduate School
Gerontology Minor	College of Public Health and Human Sciences, School of Social and Behavioral Health Sciences
Interdisciplinary Studies (MAIS)	Graduate School
Marine Resource Management (MA, MS)	College of Earth, Ocean, and Atmospheric Sciences
Materials Science (MS, PhD)	College of Engineering, School of Mechanical, Industrial, and Manufacturing Engineering
Molecular and Cellular Biology (MS, PhD)	Graduate School
Natural Resources (MNR)	College of Forestry, Dept of Forest Ecosystems and Society
Public Policy (MPP, PhD)	College of Liberal Arts, School of Public Policy
Toxicology (MS, PhD).	College of Agricultural Sciences, Dept. of Environmental and Molecular Toxicology
Water Resources Graduate Program Majors (MS, PhD) and Minors	Graduate School
