

## **Graduate Council**

October 2, 2015 ~ 2:00-3:30 PM

TBD

### **Agenda**

1. **Standing Rules**

The Graduate Council will review the [Standing Rules](#) and the process for course (Cat II) reviews for new members.

2. **Committee Assignments**

Review proposed committee assignments. [Attached](#) is a draft of proposed assignments that will be discussed.

3. **Curricular Proposals**

Distribution of upcoming proposals. There are currently four proposals that need to come to the Council for consideration; files related to each program are attached below. These will not be discussing at this meeting, but I wanted to pass them along. The process for reviewing these proposals will be discussed and, hopefully, a timeline will be established.

- [PreK-12 ESOL](#)
- [Music](#)
- [Bioengineering](#)
- [Data Analytics](#)

4. **Issues**

Description of issues that will potentially reach the Council this term.
