Changes proposed by: stampec

Effective Term

Summer 2023

Justification

This proposal terminates the DHE graduate major. The program has been suspended since 2015.

When did this program last have student enrollment? laststudentenrollment (Last Student Enrollment)REQUIRED

Last major courses offered 201603, student continued to attempt to finish thesis through 201803.

What is the teach-out plan for students currently enrolled in the program? If any core courses will stop being taught, what substitutions will be offered in their place so that students can still complete their requirements?

Teach Out Plan: teach_out_plan (Teach Out Plan:)

There are no students enrolled in the program because it has been suspended since 2015. No teach-out plan is required.

Explain how the academic unit's current objectives, functions, and/or activities will change. Address issues such as course offerings, student learning outcomes and experiences, and how the advising structure and availability will be changed. Describe the extent to which affected faculty and staff support this change.

Objectives, Functions, and Activities: obj_func_act (Provide Objectives, Functions, and Activities:)

No activities, functions or activities will change because the program has been suspended since 2015.

How will the change support OSU's mission, vision, and goals?

Mission: mission (Mission:)

Mission, vision and goals will not change because the program has been suspended since 2015.

Describe the potential positive and negative impacts of the change. Identify other OSU programs or units which might be affected and describe the impact on their mission and activities.

Impact: missionposneg (Impact:)

Terminating this program will have a positive impact because it has been suspended since 2015 and terminating will mean it finally gets removed from the Catalog. No other units will be affected.

Describe how the proposal will affect the long-range strategic goals and plans for the academic program(s) or academic unit(s). Compare with OSU's current strategic plan and its three signature areas of distinction.

Strategic Plan: strat_plan (Strategic Plan:)

Strategic goals will not change because the program has been suspended since 2015.

What is the relationship with constituencies outside of OSU (e.g., federal state, local, private) and other institutions in Oregon? Describe how this relationship might be altered.

External Impacts: external_impacts (External Impacts:)

No relationships will change because the program has been suspended since 2015.

If the academic program is professionally accredited, identify the accrediting body and describe how the proposed change may affect accreditation.

Accreditation: delete_accreditation (Accreditation:)

The program is not professionally accredited.

Catalog Description (this will display on the Overview tab in the Catalog)

Admission to the Design and Human Environment graduate major has been suspended, November 2015.

The School of Design and Human Environment offers graduate work leading toward Master of Science, Master of Arts, and Doctor of Philosophy degrees in Design and Human Environment.

Areas of concentration for MS and MA degrees include apparel design, cultural and historic aspects of the near environment, human behavior the near environment, interior design, merchandising management, and textiles.

Areas of concentration for the PhD degree include cultural and historic aspects of the near environment, human behavior in the near environment, merchandising management, and textiles.

Graduate programs in DHE prepare students for college and university teaching, research and creative scholarship; careers in design, product development, product quality assurance or merchandising; historic/cultural research, collection management, and preservation of textile and architectural artifacts; and public policy.

Research is a central component of the DHE graduate program. Students have an opportunity to work on research and creative scholarships with internationally recognized faculty members who have published in the areas of historic costume, human behavior and the near environment, apparel design, interior design, fashion theory, consumer behavior, and housing.
