

2024 Executive Committee Candidate

Bruce Dugger (at OSU since 2002), Professor and Associate Department Head ~ Fisheries, Wildlife, and Conservation Sciences – College of Agricultural Sciences

FACULTY SENATE SERVICE: Agricultural Sciences Faculty Senator, 2019-21; Graduate Council, 2019-22; Advancement of Teaching Committee's Teaching Evaluation Working Group, 2019; and Distance Education Committee, 2009-11 (chair, 2010)

COLLEGE OF AGRICULTURAL SCIENCES SERVICE: Strategic Plan for Inclusive Excellence, 2022-23; Graduate Program Directors Committee, 2021-present; and Curriculum and Assessment Committee, 2016-19

UNIVERSITY SERVICE: Panelist for Program Assessment, Northwest Commission on College and Universities site visit, 2023; Search Advocate, 2015-present; University Museum Curation Committee, 2013-18; Coalition on Intercollegiate Athletics, 2011-15; Provost's Ecampus Task Force, 2011; and University Athletic Advisory Committee, 2008-15 (chair, 2010)

CANDIDATE STATEMENT: Leadership through service is one important mechanism for contributing to shared governance at OSU. Consequently, I have served my department, college, and university in many capacities since 2002. I have extensive experience with curriculum development, assessment, and management; Ecampus program creation and management; and research in a STEM discipline. I also have a broad understanding of the relationship between the university education mission and intercollegiate athletics. My experiences coincide with several important, developing issues at OSU, and I am ready to work towards solving problems and identifying opportunities by serving on the Faculty Senate Executive Committee.
