SEARCH COMMITTEE (at the level of department head and above): OSU Associate Vice Provost for Academic Affairs, 2022

***Candidate Statement:*** I have been a faculty member at OSU for 20 years, during which time I have been fortunate to have had a wide range of experiences from discipline director to chairing the Faculty Senate Curriculum Council to being involved in several institutional-level initiatives around student success. These experiences have demonstrated to me the value of shared governance. I am honored to have been nominated to serve on the Executive Committee. I believe this committee allows me to apply knowledge gained through my experiences to benefit the university community.
