Notes ...

- The committee/council chair has the final determination regarding agenda items, meeting dates, location etc. — possibly in consultation with the ex-officio(s).
- The Chair runs the meeting – NOT the ex-officio(s).
- Unless stated in the Standing Rules, ex-officio(s) are NON-voting members.
- It is not appropriate for an ex-officio to represent a committee or council at Faculty Senate meetings or in an official capacity.
- It is the responsibility of the chair to prepare and submit the annual report (due July 15); it is NOT the responsibility of the ex-officio(s) or staff members, although they may participate in drafting the report.
