Online Education Committee
March 15, 2017 ~ 10:00-11:30 AM
300 Furman Hall
Agenda

</div>

Survey
- Hybrid revisions complete
- "External" reviews of design, wording, etc.: Tasha Biesinger (in process), Katy Linder (pending)
- Survey Research Center (Lydia Newton) quotes: $680 basic service, "reviewed and ready to launch", or $6200 comprehensive service "survey design, programming, email list management and recruitment, data coding and verification, basic frequency analysis with some cross tabulations or grouping of responses, and report of methods and results."
- Faculty Senate Executive Committee meeting: pending, date unknown
- Alternative approaches to build/distribution?

Promotion and Tenure Sub-Committee Report – Marita Barth

Intellectual Property
- Sub-committee?
- Next steps?

Other Business

Ongoing Activities/Pending Business/Announcements
- Scheduling: Watch for Doodle poll for April meeting
- Questions of Promotion & Tenure: seek answers as to how online course teaching and, especially, online course development is currently considered and evaluated for P&T
- OEC Policy Revisions: Change wording of "distance education" and exclusion of hybrid education in "Scope of Committee" policy.
- Intellectual Property: Getting clarification on how this works at OSU for Ecampus material; hosting someone from the Office of General Counsel at one of our meetings; general forum for faculty?
- Standing Rules Changes: No word from the Curriculum Council as to their representation in the OEC. OEC would still like to look into adding a member from the Center for Teaching and Learning.
- Computing Resources Committee: interested in connecting with the OEC to see how the two committees can work together (they focus on hard/software available to faculty)
