Subject: Applied Economics Action Plan
Date: Monday, August 5, 2019 8:18:32 AM

Dear Jen,

Thank you for submitting Applied Economics' Action Plan in response to the March 2019 undergraduate academic program review. In the fall, I will submit it to the Faculty Senate Curriculum Council for consideration. The Curriculum Council may accept the Action Plan as is, accept it with revisions, or send it back for further work. The Council may also attach an addendum to the Action Plan with comments, suggestions, or recommendations. After the Action Plan has been accepted, I will meet with you and College of Agricultural Sciences leadership to discuss it and review the next steps.

In AY 2021-22, APA will contact you about submitting a three-year status report on AEC's progress in implementing the Action Plan. I will meet with department, school, and CoAg leadership to review and discuss the report.

The review documents, including the Self-Study, Reviewers' Report, and Action Plan are archived in [this folder](#) on SharePoint and the Curriculum Council's acceptance will be added in the future. Please contact Caryn Stoess at APA if you are unable to access the folder.

Thank you for all you do to support our faculty and students by delivering high quality academic programs.

Alix
