2016 Executive Committee Candidate

DEVON QUICK (at OSU since 2009), Adjunct Instructor 2009-2011, Instructor 2011-16, Senior Instructor I, 2016-present ~ Integrative Biology – College of Science.

FACULTY SENATE SERVICE: Science Faculty Senator, 2014-present; Academic Regulations Committee, 2014-15; and Advancement of Teaching Committee, 2016-present.

UNIVERSITY SERVICE: Faculty Marshall at Graduation, 2014-present; Blackboard Steering Committee, 2012-14; and TRF Review Committee, 2013.

SEARCH COMMITTEES (at the level of department head and above): Academic Technology Director, 2016; and Academic Success Center Director, 2014.

Candidate Statement: Teaching is my priority at OSU and I have endeavored to not only prepare and execute outstanding learning experiences that promote success of our diverse student body, but also inspire my students to think critically about course content, develop as scientists and grow to be leaders in their communities. As a member of the Faculty Senate Executive Committee, I will bring my perspective and extensive experience working with students to our shared governance. Additionally, I will represent the interests of our non-tenure track academic faculty.
