

# PROGRAM PROPOSALS FOR REVIEW BY FACULTY SENATE EXECUTIVE COMMITTEE

Michele Swift, Curriculum Council  
January 2020

Oregon State  
University

# Engineering Science (CPS #102102)

- College of Engineering
- New undergraduate degree program to be delivered at OSU-Cascades
- A multidisciplinary program built largely from existing courses across several engineering disciplines (industrial, electrical, and mechanical). Only four unique courses are required and staffing has been budgeted for by OSU-Cascades.

# Instructional Design (CPS #101468)

- College of Education
- New certificate program
- To be offered online through a partnership with the Adult and Higher Education (AHE) program and parallel to the master's degree in Adult and Higher Education.
- All the courses required for the certificate are also required in the Masters in Adult and Higher Education so no new courses are required.

# Outdoor Products (CPS #102419)

- College of Engineering Interdisciplinary Programs
- New undergraduate degree program to be delivered at OSU-Cascades
- Core curriculum will consist of 14 new courses developed for the program and existing courses from other programs and colleges (e.g., marketing, natural resources, tourism, engineering, etc.).
- Will be overseen by an Interdisciplinary Curriculum Committee that has representation from each school in the COE.

# INFORMATIONAL ITEMS

**Oregon State**  
University

# Degree program changes

- Electrical and Computer Engineering – MENG, MS, PhD (CPS #107826)
  - College of Engineering
  - Change graduate major
- Computer Science – MENG, MS, PhD (CPS #107835)
  - College of Engineering
  - Change graduate major
- Management – BA, MS, CRED, HBA, HBS (CPS #108265)
  - College of Business
  - Change undergraduate major

# Minors

- Computer Science (CPS # 107805)
  - College of Engineering
  - Change graduate minor
- Agricultural Sciences and Natural Resources Communications (CPS #107830)
  - College of Agriculture Sciences
  - New undergraduate minor
- Comparative International Agriculture (CPS # 106605)
  - College of Agriculture Sciences
  - Change undergraduate minor

# Options

- Dynamics and Controls (CPS #107621)
  - College of Engineering
  - Change graduate option
- Computer Science Double Degree (CPS #106982)
  - College of Engineering
  - Change undergraduate option
- Human Development and Family Science, General (CPS #108240)
  - College of Public Health and Human Sciences
  - Change undergraduate option

# Options/Certificates

- Animal BioHealth/Pre-Professional (CPS # 108252)
  - College of Agricultural Sciences
  - Change undergraduate option
- Gerontology (CPS #107877)
  - College of Public Health and Human Sciences
  - Change undergraduate certificate
