APPROVAL: Academic Programs was informed (February 18, 2014) by the Office of Academic Affairs that this Abbreviated Category I proposal will not be submitted to the OUS Provosts' Council for review and approval. It will be an informational item at a future meeting. Therefore, the final approval date will be the OSU Provost's approval of December 19, 2013.

The effective term for this rename change remains Winter Term 2014 (Banner: 201402).

Also note, that as a result of this approval, the CIP number for this graduate degree program will change from 51.2099 to 51.2010. This will necessitate changes to the STVCIPC and STVMAJR tables in Banner SIS.
