**Candidate Statement:** I am honored to be nominated for the Faculty Senate Executive Committee. My time as a Faculty Senator representing OSU-Cascades has made me appreciate the role of shared governance across OSU's campuses. I earned two degrees at OSU and my teaching career began here as a GTA in Speech Communication. I have been able to participate in planning and decisions that have shaped our new four-year campus in Bend. We should promote social justice, practice allyship, and shape systems of power that exist on our campuses. I would be honored to serve on the Faculty Senate Executive Committee.
