

Dar Reese Excellence in Advising Award Nomination Form

The Dar Reese Excellence in Advising Award was established to recognize and encourage outstanding undergraduate advising on the OSU campus as exemplified by H. Darwin (Dar) Reese. Dr. Reese, a long-time Department of Chemistry faculty member, was well known at Oregon State for his thoughtful and caring advising of undergraduate students and his enthusiasm and concern for undergraduate instruction. His dedication to students establishes an ideal for which others might strive.

Eligibility:

- The Dar Reese Excellence in Advising Award recognizes the recipient's contribution in the critical area of academic advising. In addition to significant responsibilities for undergraduate advising, nominees must demonstrate current success in teaching, research, and service.

Please briefly summarize why the nominator believes this faculty member should be selected for the Dar Reese Excellence in Advising Award. (maximum 250 words)
