PROPOSAL: **BA, BS in Hospitality Management**
to be Delivered at a Distance Online by OSU Extended Campus

I have concluded my review of an Extended Campus proposal, developed in conjunction with the College of Business and OSU-Cascades, to extend their existing BA, BS in Hospitality Management program to distant locations via OSU's Extended Campus (see the attached proposal). The proposal meets all of the existing requirements for review by the Office of Academic Programs, Assessment, and Accreditation as specified in the "Review Process / Procedures for Ecampus Proposals."

The proposed online program and its courses are judged to be equivalent with the campus-based program. As part of this review I am acknowledging that all of the courses required for online delivery of the program currently absent. To fully offer the proposed BA, BS in Hospitality Management online a minimum of 30 courses will need to be development, reviewed, and approved. The degree program operates on a Pre-/Pro Model: Pre=College code 22/SIS # 278; Pro=College code 02/SIS # 291.

My review comments and the response from Ecampus, along with the current online Catalog entry are attached. Final APPROVAL of the proposal is the OSU Provost following review by the Curriculum Council and as an information item to the Executive Committee. The proposed effective term is Fall Term 2016 (201701).

Note: The on-campus (face-to-face) OSU-Cascades only BA, BS in Hospitality Management program was approved with an effective term of Spring Term 2015 (201503)
