SUBJECT: Faculty Senate Consideration of Degree Candidates

Please accept my request to attend the Faculty Senate meeting on Thursday, June 9, 2016 and present the recommended lists of 2015-2016 degree candidates for Senate approval.

Each year, the Office of the Registrar is pleased to present to the Faculty Senate the candidates for baccalaureate and advanced degrees and those who qualify for various honors. Today we seek your approval for the Class of 2016 – Oregon State University's 147th class.

The final degree auditing and confirmation process is as follows:

All candidates who completed degree requirements Summer, Fall or Winter terms have been certified as meeting all requirements for their respective degrees.

Spring term candidates are taking their final examinations this week. Following submission of grades by the faculty, the Office of the Registrar will finalize the status for all degrees and will forward exact figures to the Senate. The Office of the Registrar checks for completion of all institutional graduation requirements, while the academic dean's offices are responsible for checking the Baccalaureate Core Requirements as well as all college and departmental requirements.

All candidates recommended for the Baccalaureate degree will have satisfied all requirements, except where petitions for waiver of institutional requirements have been approved by the Academic Requirements Committee- a committee of the Faculty Senate, and/or a waiver of college or departmental requirements have been approved by the candidate's dean.
