

Academic Regulations Committee

February 3, 2017

Minutes

Voting members present: Nancy Barbour, Rosemary Garagnani, Katrina Machorro, Dave Wing

Voting member absent: Rebecca Mathern

Guest: Jesse Nelson (from Academic Integrity Committee)

AR15:

In the current draft (of the new policy/process), Nancy reports that the student body wants deadlines for faculty (as currently written, it is only the students that need to do things in a timely manner, with the amount of time specified in the process). The Academic Integrity Committee (AIC) thinks that we should allow the process/policy to run for a year as is and then revisit this issue.

We then reviewed the draft and started editing the language and verbiage and will continue at the next meeting.
