Voting members present: Rosemary Garagnani, Katrina Machorro, Rebecca Mathern, Dave Wing

Voting member absent: Nancy Barbour

Guest: John Bailey – Executive Committee Liaison

We briefly discussed Jesse Nelson's email response to Rebecca's 2-10-17 email concerning uncertainties regarding the Academic Integrity Committee's Process (see notes, 2-10-17. Jesse also provided the current draft of the Student Conduct Code (attached to that email).

We then discussed a suggested that had been raised concerning putting all details of the process in the AR, as opposed to referencing them to some other place – we found both pros and cons with this and were wondering what the EC's thoughts were on this. We also had some concerns about the timeliness of posting the updated AR alongside the revised Student Conduct Code.

We decided to wait for John Bailey to meet with the EC, to get their thoughts on these matters, before we do anything more with AR15.
