Discussion

- Spring Term WIC reviews are due by April 26
 - Vicki Tolar Burton will be present that day to discuss all WICs
 - Is there an earlier option; can the committee schedule something that is more convenient for her to attend to go over upcoming WIC courses?
- Why are undergraduate level Category IIs going through the Graduate Council (GC)?
 - The Curriculum Proposal System is old and breaking down; it automatically routes everything through GC. Currently, the APA is manually routing around that.

Academic Regulation Revisions

- Appears to be largely housekeeping changes and has no significant impact on the Baccalaureate Core Committee.
 - Approved

Resubmits

- WR 250 has been liaised and reworked based on notes from the reviewer.
 - Approved with no discussion needed.
- WSE 414/WSE 514
 - Wants to remove the WIC requirement
 - WIC office has approved this request
 - Approved
- HDFS 430
 - Vicki sent back with notes for fixes; resubmitted with fixes done and Vicki has approved it.
 - Very well-done with few issues
 - Approved
