Hi Gary,

Thank you for your review. I've attached the edited documents, accepting all of your recommendations. If it can make it onto this Friday's agenda, that would be great!

Thanks,
Alfonso

Alfonso,

Per your request, attached is my review of the MPP proposal. Most of the suggested changes are very minor—with one exception. I would like to recommend that the PhD sentence, since it does not apply to this proposal, be deleted. This proposal is only concerned with the online delivery by Ecampus of the Master of Public Policy (MPP) degree program, not with both the MPP and the PhD in Public Policy.

As soon as I get an updated version of the proposal back from you I will then send it onto Richard and Prem for inclusion onto the agenda of the next Curriculum Council meeting. The next CC meeting is scheduled to be on Friday, May 27th.

Kindest regards,

--Gary

Hi Gary,

Ecampus and the School of Public Policy are entering into an agreement to offer the Master of Public Policy through Ecampus. The program development MOU is now out for signatures, but I expect these will be secured in the next few days. In advance of that, I thought I would provide you with the draft proposal to Curriculum Council for your review prior to submission to the Council. As always, your comments and suggestions will be appreciated.

Best,
Alfonso
