#### 6. **Baccalaureate Core Reform**

Following a four-year Faculty Senate process of reviewing our Baccalaureate Core, researching best and high impact practices and literature on general education reform, the Baccalaureate Core Reform Committee (BCRC) is pleased to present a final model to the Faculty Senate. During the 2021-22 academic year alone, the BCRC met weekly and contributed cumulatively over 2000 hours of work to this process. The co-chairs provided monthly Faculty Senate updates on the BCRC process and engaged with over 700 faculty, students, staff, and university leaders.

John Edwards and Lori Kayes, Baccalaureate Core Reform Committee Co-Chairs, will be presenting the proposed final general education model during the June 9 Faculty Senate meeting.

- [Summary and Motion](#)

Faculty Senators will be asked to ratify the revised Baccalaureate Core structure as presented in the Baccalaureate Core Reform Committee Report and Proposal (Revised Version June 2022).

If the vote is in favor of moving forward with the proposed structure for a new Bacc Core, the Faculty Senate Executive Committee will request nominations for faculty to serve on implementation teams.

#### **7. Committee Interest Form**

The Committee Interest Form, which provides an opportunity for faculty and staff to indicate their interest in serving on Faculty Senate and University committees, councils and boards during 2022-2023, is available online at [https://oregonstate.qualtrics.com/jfe/form/SV\\_5BEOJYYtPfoW4F8](https://oregonstate.qualtrics.com/jfe/form/SV_5BEOJYYtPfoW4F8) and due June 15 at Noon (deadline extended one week).

#### **8. Faculty Senate Leadership Changes**

Following Erika McCalpine's departure from OSU, Kate MacTavish is now Faculty Senate President. Her term will continue through December 2023.

According to the Faculty Senate Bylaws, in the event of a President-Elect vacancy, the most immediate and available past president fills the vacancy. Selina Heppell is now President-Elect.

Because of the timing of this change, we are not able to conduct a special election for a new President-Elect. The Executive Committee is discussing options for the leadership team next year; regular elections for President-Elect, Executive Committee, and Interinstitutional Faculty Senate Senator will take place as scheduled in October-November. We encourage all faculty to consider serving in these important leadership roles.

#### **10. Vacancies**

If you are away more than one term, exclusive of summer term, a replacement is required. This information will assist us in identifying a replacement.

If you are unsure when your Senator or committee/council term ends, you may check the [Senator membership list](#) or the [Committees & Councils site](#).
