

Past President's Council

Faculty who have served as President of the Faculty Senate constitute the Past President's Council, which is presided over by the immediate past president. The Council will meet no less than once during the academic year to review the function of the Faculty Senate, the Faculty Senate Office, and the Faculty Senate's interaction with the OSU central administration. In addition, the Council shall be a consultative group from which the Faculty Senate President, the Executive Committee, or the Faculty Senate may seek advice, as requested.
