

Policies of the Faculty Senate Online Education Committee

Scope of the Committee

- The Committee reviews and recommends policies on all forms of online and hybrid education within the University. (AR 2003-2004) (approved 24 Jan 05)
- Online education, for the purposes of this committee, is the learning that occurs when instructor and student are separated by space or time and communicate primarily via the application of technologies. Hybrid education, for the purpose of this committee, refers to courses that include both regularly scheduled on-site classroom meetings, and significant online out-of-classroom components, that replace regularly scheduled class meeting time. (approved 29 Nov 06)
- The Committee monitors the curricular process to assure that it is correct and efficient. The Committee will not be directly involved in the curricular process itself. (AR 2003-2004) (approved 24 Jan 05)

Administration related to Extended Campus

- The Committee supports the revenue sharing model implemented in fall 2003. (AR 2002-2003) (approved 16 Oct 06)
- The Committee supports continuing development of Memoranda of Understanding between Extended Campus and departments and colleges that specify greater roles and responsibilities of departments in the design, implementation, and oversight of distances courses and degree programs. (approved 16 Oct 06)
