

Oregon State
University

Steady growth in OSU's research portfolio is driven by federal agency funding.

- Third consecutive year of record research revenue
- FY17 revenue spike due to NSF RCRV

The
OREGON STATE UNIVERSITY
Research Office

In the fiscal year ending June 30, 2017, OSU faculty and staff earned \$441,475,998 in research grants, contracts and licensing revenue.

OSU is now the largest research institution in Oregon and a major economic driver in the region.
