Effective Term: Spring 2015

Reference: BA in Spanish online proposal (CPS #92378)

Ecampus submits this memorandum to the curriculum council, according to the [Curriculum Council Review Process for Ecampus Proposals](#), as an information item, to indicate that the proposed program includes the same curricular requirements as the already-approved, already-offered minor on campus. The table below compares the required and elective courses offered on campus, those offered online, and the required pre-requisites for each course, if applicable. The pre-requisite courses are listed in bold font if they are already offered online or are already in development for delivery online.

The Spanish minor consists of 30 mandatory credits (see details below) covering various subjects such as language, literature, culture, linguistics and sociolinguistics to be approved by a minor advisor.
