Re: UAC Annual Report for 2015-16

The Undergraduate Admissions Committee (UAC) met monthly beginning with the 2015 summer term and bi-weekly during the academic year. Meetings during the academic year were scheduled for two hours and generally ran less than the time allotted. Therefore, the committee met until the docket was complete.

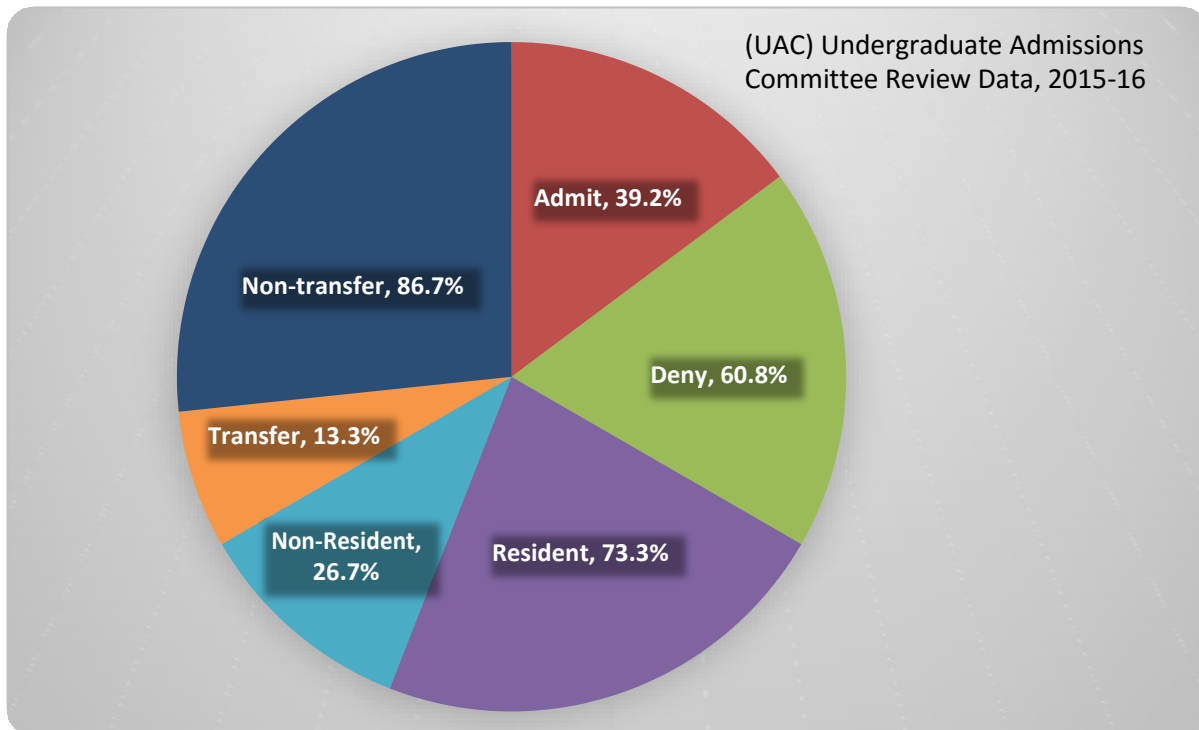

As co-chairs, John and I met to discuss the following information.

Marilyn Stewart and John Mentler worked together as co-chairs for the 2015-16 academic year. They will continue to serve as co-chairs for the next year, 2016-17. John's term has been extended through the end of the 2018 membership period.
